

The UL Ti MATE range from underwater lights limited™

Manufacturer of the Original underwater lights™
Brand Marine lighting products since 1991

Underwater Lights Limited™ provide a complete range of marine lighting including through-hull submersibles, LEDs, deck lights and computer controlled dimming systems. Since we pioneered the Original underwater light™ in 1991 we have supplied over 15,000 units for boats of all sizes. Working closely with leading designers we have led major inbuilds on award

winning yachts such as S.Y. Maltese Falcon and M.Y. Ilona. This year has seen the launch of our new universal electronic 250 watt ballast, wide beam lenses for the complete UL Ti MATE underwater light range, and the opening of our US subsidiary, **Underwater Lights Limited™, Inc.**, in Dania Beach, Florida.
